# **Welcome to Centennial Day Care Society**

Centennial Day Care Society is a non-profit organization responsible for the operation of Centennial Day Care Centre, which has been open since 1976.

Our goal is to assist preschool aged children to develop physically, socially, emotionally, intellectually and creatively. Just how successful we are in achieving these objectives depends not only on our staff, but also on YOU, the society members. We need to work together to best meet the needs of your children.

Each family with a child in the day care centre automatically becomes a member of the society, having a vote and the right to be present or speak to motions at all society meetings. We encourage you to participate in whatever way that you are able by attending meetings, joining the Board of Directors, assisting on field trips, attending fundraiser events, or other centre activities. Ask the Manager for dates and locations of society meetings. Come and make your child's day care experience more rewarding for us all.

## **Statement of Philosophy:**

The goal of our centre is to create partnerships with families in caring for their children. We promote the development of the whole child, with equal focus on emotional, social, physical, intellectual and language development throughout the preschool years. We believe that a secure, nurturing environment assists in creating respectful relationships, and encourages positive social interaction both between children and adults, and with peers.

We embrace philosophies such as Waldorf and Reggio Emilia, that support an image of the child as being both competent and able to create their own learning. While exploring the natural environment, taking appropriate risks that challenge existing abilities, and learning through play; every child has the opportunity to be responsible for their learning, in a way that brings powerful meaning to their experience. Independent play, individual time with adults, small

group interactions and membership in the larger group occur naturally, as the teachers take on the role of being "co-creators" in the child's learning.

We honour the unique individuality of all children, and have a deep respect for diversity, welcoming those that require extra support, and have particular needs. Our qualified early childhood educators create a flexible program with a wide variety of stimulating, open-ended activities and materials. We actively explore our neighborhood, and the beautiful environment that we are in, and go on frequent walks, field trips and visits!

**Inclusion:**

Our philosophy and program have always demonstrated a commitment to inclusion. Children and families with diverse backgrounds and needs have always been welcome.

The same hours and days of attendance are available to all children. The children requiring extra support fully participate in the daycare program and have their needs met within the regular group activities and routines through accommodations, modifications and extra support where necessary.

The proportion of children who need extra support approximately equals roughly the general population (10-15 %).

Adjustments are made by the centre to encourage maximum parent participation at parents' comfort level. The parents are encouraged to participate in planning meetings and training sessions. The centre will assist the parents with arranging times convenient for them and encourage them to bring relatives and/or trusted advisors to meetings and observations.

Prior to entry into Centennial, all planning and preparations for support must be complete. This includes clear, documented identification of the child's support requirements, necessary funding for physical adaptations and/or equipment needed as well as staffing (may be consultative such as therapists, part-time or full-time ECE staff). When these supports are not in place, the quality of care provided can be jeopardized and children and staff can be negatively impacted.

### **Family Partnership:**

We believe that open, honest, respectful communication and cooperation between your family and our staff is important for the well-being of your child. We appreciate discussions with you regarding your child and our program. We also welcome and value shared information regarding your family dynamics, beliefs and observances.

Your participation with our centre contributes to our sense of community for everyone. Joining us in gardening, family potlucks, neighborhood walks, field trips or even sharing your passions and interests are some of the many ways you can be involved.

### **Children's Rights:**

It is our belief that children must be provided a safe, healthy, and comfortable environment. They must not be subjected to corporal or unusual punishment, humiliation, mental abuse or sexual interference.

Our centre's staff is morally and legally bound to report all suspected and/or disclosed violations of these rights to the Ministry for Children and Family Development in accordance with the Child, Family and Community Service Act. Staff is also legally required not to discuss concerns of this nature with the families of the child/ren involved prior to discussing the concern with a social worker and then only if advised to do so by the social worker.

For more information please check the following websites:

- Ministry for Children and Family Development  
<http://www.gov.bc.ca/mcf/>
- Child, Family and Community Service Act  
[http://www.bclaws.ca/EPLibraries/bclaws\\_new/docume nt/ID/freeside/00\\_96046 \\_01](http://www.bclaws.ca/EPLibraries/bclaws_new/docume nt/ID/freeside/00_96046 _01)
- Legal Services Society (information on legal aid and parents'/children's

rights) [www.lss.bc.ca](http://www.lss.bc.ca)

### **Privacy Protection:**

Centennial Daycare Society is responsible for personal information collected from families and as such, complies with the Personal Information Protection Act (BC's privacy legislation) in respect to the collection, use and disclosure of information about individuals.

Personal information is collected to comply with legal and regulatory requirements, and to assist us in operating the daycare. Personal information will not be used or disclosed for purposes other than those for which it was collected, except with the written consent of the individual or as required by law.

Reasonable security arrangements are followed to protect personal information. Sensitive materials and reports are kept in locked filing cabinets, the office is locked when the daycare is closed, and office access is monitored closely during the day.

For additional information please refer to the Ministry of Technology, Innovation and Citizens Services, Knowledge and Information Services website <http://www.cio.gov.bc.ca/cio/kis/index.page>

### **Hours of Operation and Closures:**

The centre is open from **7:30 a.m.** to **5:30 p.m.**, Monday through Friday, except for the following closures:

- Family Day, Good Friday and Easter Monday, Victoria Day, Canada Day, BC Day, Labour Day, Thanksgiving Monday, Remembrance Day
- The Friday of the Thanksgiving weekend for a staff professional development day
- Christmas Eve through to and including New Year's Day

### **Inclement Weather Policy:**

Centennial Day Care will follow the School District 61 inclement weather closure protocol. In the event that School District 61 implements an “inclement weather closure”, Centennial will also be closed. This policy is in place for the safety of all involved regarding safe drop off, pickup or transport of children and staff whether walking or driving to and from Centennial Day Care. We will work quickly to communicate closures to parents as early as possible so alternative care can be arranged and will do so via email, text or on our private Facebook account.

### **Registration Procedure:**

Upon registration, a time slot will be allocated to your child and once the child care space is offered and accepted, registration of your child requires:

1. Completing a registration form and emergency cards
2. Paying a \$200 deposit which will be applied to your last month's fees. A space cannot be guaranteed until the deposit is received.
3. Providing an up-to-date immunization record. If you have chosen not to immunize your child, we require a letter acknowledging the risks involved.
4. There will be a one month trial period at the centre to allow your child to settle in but the Centre reserves the right to give your family 2 weeks to 1 month notice regarding termination of space, at the discretion of the board and staff if there is not a good fit at the centre.

If you receive or will be applying for child care subsidy, your transfer or application must be approved prior to starting at the centre.

Please keep staff informed of any changes to your address, phone numbers, emails, emergency contacts, doctors, and persons authorized to pick up your child. This information is required by our Licensing Officer. It also assists us in ensuring your child's safety and making quick arrangements when children are ill.

## **Fees and Payment/Repayment:**

As of September 2019, fees are \$1,185 per month for 2.5 year olds and \$1,025 per month for 3-5 year olds. As a non-profit society fees are necessary for the operation of the daycare.

Payment can be made by E-transfer.

Fees reserve a daycare space for your child on a monthly basis, and are not adjusted for days missed due to illness, family vacation, or other absences.

In the case of a short term unforeseen forced closure, for example in an emergency that disrupts service delivery for a few days, there will be no refund of fees. Longer disruptions of service will be dealt with by the Board of Directors, and the reduction of fees, or repayment of prepaid fees addressed.

If you wish to remove your child from the centre for an extended period of time, for example for a 4 week vacation, and expect your space at the daycare to be held, the space needs to be prepaid for the time of absence. If you intend to leave for an extended period (more than 4 weeks), you may choose to withdraw your child without paying for the absence if it is for more than 4 weeks, provided we receive one full month's written notice. Your child can be placed on a waitlist for your return; however, we cannot guarantee a space will be available when required.

Once a seat becomes available a seat deposit fee of \$100 required in order to secure your position in the program. This fee is taken off the last months fee once one months notice to leave the program has been given.

*Fees are due on the first of each month.*

If fees are not fully paid by the 5<sup>th</sup> of the month, you will receive a late fee notice.

If you do not respond to the late fee notice within 7 calendar days of its receipt, your child's space will be suspended at mid-month. In order for your child to return to the daycare, a minimum of 1/2 the owed fees must be paid before the last business day of the month or your child's space will be discontinued.

In response to the late fee notice, you must confirm and sign a payment plan with the Manager. If you do not maintain the agreed upon payment plan, your child's space will be discontinued at month end.

**Child Care Subsidy:**

For information regarding child care subsidy, please contact the Child Care Subsidy Service Centre at

• 1-888-338-6622 or

[www.mcf.gov.bc.ca/childcare/subsidy\\_promo.htm](http://www.mcf.gov.bc.ca/childcare/subsidy_promo.htm)

If you receive subsidy, your renewal confirmation must be received by the daycare no more than two months after the expiry date or enrollment will be discontinued. Please maintain contact with the Manager during your subsidy renewal process.

**Please be aware** that absences of more than 10 consecutive days may result in subsidy not being paid by the ministry during that time. You will be responsible for paying the full daycare fee during this time.

**Withdrawal and Notice to Leave:**

We require one full calendar month's written notice when you are planning to withdraw your child from our program. For example, if your child is leaving at the end of August, your written notice must be received by July 31. There is no reduction in fee due to mid-month or early withdrawal.

The Centre reserves the right to give your family 2 weeks to 1 month notice regarding termination of space, at the discretion of the board and staff.

**Arriving and Departing from the Daycare Centre:**

Please sign your child in and out each day. This enhances your child's safety as well as staff's planning and communication. It also supports positive transitions at the beginning and end of the day. When you arrive in the morning, please help your child get settled into the program and ensure a staff member is aware that your child has arrived. When picking up your child, please make sure a staff member is aware that your child is leaving.

If your child is going to be absent or arriving after 9:30am, please phone the daycare before 9:30am to inform a staff member. If we have not received your phone call prior to 9:30am, we will consider your child absent for the day. Please note, that we are not a drop in centre, and children may not be dropped off later than 9.30 am unless this is an exceptional situation and staff have been consulted prior to the drop off.

### **Safe Release of a Child:**

Please inform staff if you have made arrangements for someone other than yourself to pick up your child. If this person is not on your authorized pick-up list, please provide written authorization for this person to pick up your child. Staff will ask for photo identification before releasing the child.

It is our responsibility to ensure that we release each child into a safe environment. If staff feel that the person picking up a child is impaired in any way, staff will offer to call another authorized pick-up person or a taxi to provide both the child and pick-up person a safe ride. If staff believes the child's safety is at risk, they will call the police and the Ministry of Children and Family Development.

### **Late Pick-up Policy:**

Late pick-up is stressful and difficult for your child and for staff, whose personal commitments after work are valued. Please be respectful of our centre's closing time of **5:20 pm**.

- If your child is picked up after your allotted time slot, you will be asked to sign a Late Pick-Up form and to pay a late fee of \$2.00 for the first five minutes and \$1.00 per minute thereafter.
- If late pick-up continues to occur, you will be required to discuss possible solutions with our Manager. Your family may be given notice to leave the centre if late pick-ups continue.

**Please note:** If you are not at the centre by 6:00 pm and have not spoken to a

staff member regarding your delay, the social worker on duty with the Ministry of Children and Family Development will be called to pick up your child. You can phone the Ministry of Children and Family Development at (250)310-1234.

### **Health:**

When your child is absent due to illness, please phone the daycare and notify the staff of the type of illness so the appropriate precautions can be made for all families and staff. If your child cannot participate in all aspects of our daily program, he/she should be at home. While we are sensitive to the stress illness may cause your family, we also want to ensure a healthy environment for all our families and staff.

If any of the following symptoms occur, a staff member will phone and ask that you immediately pick up your child:

- A temperature of 100F or higher
- Vomiting
- Open sores
- Diarrhea Your child may return to daycare when the above symptoms have been absent without the assistance of medication for 24 hours or your child is no longer contagious.
- Head lice or nits Your child may return to daycare after being treated with an appropriate product and if he/she is nit free. Upon returning to daycare, staff will check your child before you leave for the day. All bedding, clothing, stuffed animals, etc. should be washed in hot water and dried in a hot dryer or sealed in plastic for 72 hours. Your home should be vacuumed thoroughly. Car seats can be disinfected or sealed in plastic.

### **Administering Medication:**

You must complete a Medical Authorization form which gives staff permission to administer your child's medication. The medication must be provided in the original container and be given to a staff member upon arrival.

Daycare staff will not administer non-prescription cough and cold remedies or medications that are meant to reduce or suppress symptoms that would

otherwise require a child to be absent from daycare (i.e. fever medication).

### **Snacks and Lunches:**

Included in fees are the provision of two nutritious snacks each day. Centennial Daycare follows the Canadian Food Guide and models healthy attitudes towards food and meal times. Please come with a packed lunch each day, consisting of whole nutritious foods. We ask that highly processed foods are kept at home. For example: High sugar foods (fruit cups, granola bars, fruit snacks, yogurt/ yogurt drinks, cakes etc), high sodium foods (Fishy Crackers, non-whole grain products ) etc. These items will be packed up and sent home. Please find attached a link to Canada's Food Guide - <https://food-guide.canada.ca/en/> for reference to healthy whole foods.

You are welcome to bring a special treat or food so the Day Care can share in family celebrations such as birthdays and holidays. Please let the Day Care staff know ahead of time so they can plan appropriately.

Please inform us of any allergies or religious observances. These requests will be respected.

### **List of Supplies:**

Please provide the following list of supplies, clearly labeled, for your child:

- Water-bottle
- Small blanket for rest time
- Rain/Splash pants  
(le. MEC  
waterproof pants)
- Rubber boots
- Indoor shoes
- Complete changes of clothes  
(pants/shirt/socks/underwear)
- Hat, appropriate for the season

- Jacket, appropriate for the season
- Sunscreen during the summer months
- Diapers/Pull-ups and wipes, if applicable

**Rest Time:**

All children in our centre have a rest after lunch. Children are not required to sleep but are expected to rest quietly on mats for at least half an hour. After half an hour, children who are not sleeping may do quiet table activities, or read books on their mats if preferred. If your child feels more comfortable with a stuffed animal please bring it along for rest time. Children under 3 years of age, will be separated from the larger group in our “open” facility by the use of dividers to make sure their individual and specific sleep needs are met.

**Toys and Candy:**

Play equipment and toys are provided by the centre. Please do not bring toys from home as they often get lost, broken, or cause difficulties around sharing. Please do not bring gum or candy to the centre due to the risk of choking.

**Staff:**

Our staff members are educated and qualified Early Childhood Educators or Early Childhood Assistants and are licensed to practice through the Provincial Government. They are required to regularly engage in professional development opportunities, and maintain valid First Aid Certificates. All staff and volunteers have completed a Criminal Record Check in accordance with the Child Care Licensing Regulation.

**Guidance and Discipline:**

We use the following positive guidance strategies in order to foster your child’s developing confidence, competencies and social problem-solving skills. These guidelines serve to ensure the safety and well-being of everyone in our environment. We respect your child’s unique personality and developmental

level, whilst keeping in mind that particular situations and circumstances also determine and shape behaviours.

1. Expectations or limits are established using one or more of the following:

- Positive phrases with simple explanations  
*“Please walk inside. Running is for outside because there is more space.”* o *“Please use your quiet voice because some children are still sleeping.”*
- Focus on the behaviour, not the child  
*“Hitting hurts your friend.”* instead of *“You are so bad”*
- Advance information  
*“In 5 minutes, we will clean up and then go to the bathroom.”* o *“We are going to have circle time, then wash our hands and eat lunch.”*
- Appropriate choices  
*“Do you want to wait for your turn, or play with something else?”*
- Natural consequences  
*“If you play with water, you might get wet.”* o *“If you don’t eat your lunch, you will be hungry.”*
- Redirection  
*“I can see you are upset right now. Let’s read a book while you calm down.”*

## 2. Problem Solving

Educators model a three step approach to problem solving which is designed to support your child’s developing social skills. As your child becomes more familiar with the process, he/she will be encouraged to suggest solutions on his/her own.

- Ask about or acknowledge the problem  
*“S, tell me why you are upset and then we will listen to how B is feeling.”*  
*“I can see you feel frustrated when your block tower falls over.”*
- Brainstorm possible solutions  
*“Can you ask to have a turn when he is finished?”*

*“Let’s go look for another truck you could use.”*

*“Try using some bigger blocks on the bottom.”*

*“Ask a friend to help you build your tower.”*

### 3. Safe Spaces Program

Safe Spaces is a bullying prevention program developed by the *Westcoast Child Care Resource Centre*. The program approach includes all children participating and focuses on teaching social and emotional vocabulary and skills that are essential in preventing bullying behaviours and ensuring a safe environment.

Your child will learn about the following principles through group activities, daily interactions and through modeling and support from our educators:

- Safe/Not Safe/Safe Centre

Rules

- Friendly/Not Friendly

- Four Universal Feelings (happy, sad, angry, afraid)

- Fair/Not Fair and Problem-solving For more information, please visit the Westcoast Child Care Resource Centre website at <https://www.wstcoast.org/workshops>. You can also ask us questions or borrow our written materials and videos.

### 4. Aggressive Behaviour

Biting, scratching and hitting are part of normal development but are an unacceptable behaviour. Parents will be notified when their child exhibits such behaviours. Staff at Centennial will establish an action plan specific to the child and his/her behavior so the staff approach is consistent and appropriate. If behavior persists the parent will be advised to seek professional help on behalf of the child. If the child’s behavior cannot be modified and he/she poses a threat to the well-being of other children then management reserves the right to give your family 2 weeks to 1 month notice regarding termination of space, at the discretion of the board and staff.

\*Please note that a refund will not be given in the event a space must be terminated due to aggressive behaviour.

### **Electronics and Screen Time Policy:**

Centennial Daycare believes and that the role of the educator in the daycare setting is to provide educational opportunities in a developmentally appropriate manner and the best way children learn is through play involving all the senses, exploring a wide variety of materials and activities, alone and with others. It is a parent's choice to use electronic media within the home environment. We reserve one last day before the Christmas break to share a special, short holiday movie as a group before we say goodbye before the break.

\*Please note that this policy does not extend to the use of tablets or iPads for appropriately supporting a child with extra developmental needs, when this is outlined in a detailed individual care plan in consultation with support workers.

### **Outside Active Play Policy:**

Children need to be outside. We believe that as many valuable learning opportunities take place outside as inside. Early immersion in active gross motor play free from the confines of the classroom lays a foundation for a healthy active lifestyle in later years. Children at our centre spend up to 2 hours in the morning outside, engaged in play in our outside play space, or out in the community on walks, and hikes. We spend another 1.5- 2 hours outside in the afternoon. Children are encouraged to engage in activities that raise their heart rate and develop physical literacy, as well as seek out quiet and still time in the outdoors, learning to appreciate all that being in nature and our community can bring to us.

### **Emergency Preparedness:**

As we live in an earthquake zone, we are prepared for the safety and well-being of your child in the event of an actual earthquake. As well as monthly fire drills, we have an annual earthquake disaster drill with the children, and have an organized supply of emergency supplies.

In the event of an earthquake, or other disaster, we will follow these

procedures:

- Your child will be released from our care only when you (parents or guardians) come to pick up your child. Your child will not be allowed to leave with any other person unless we have written permission from you or if the person is listed on your child's emergency pick-up list on the registration form. You will need to sign out your child, with a staff member, before leaving.
- Staff will be in communication with local emergency services.
- If our building becomes unsafe, we will walk across Gorge Road to 1Up Single Parent Resource Center or the Sandman Hotel and will stay with children until they are picked up by an authorized person.

We ask for your help in the following areas:

- Telephone lines must be kept open for emergency services. Please refrain from calling the daycare in an emergency.
- Please turn on your radio or TV to obtain information and instructions regarding the disaster.
- Please try to keep major roads clear for emergency vehicles.

## COVID-19 Health and Wellness Policy

Updated: May 20, 2020

In light of the COVID-19 health emergency, we feel it is important to clarify that Dr. Bonnie Henry has confirmed and encouraged childcares to remain open, where possible, to serve families that are in need of childcare. However, the Covid-19 health emergency is ever changing, and our ability to remain open may change without notice; or we may be ordered to close by BC's provincial health officer, Dr. Bonnie Henry, and/or our licensing officer.

Given the important requirements, it is imperative that we are firm in our health policy, and that all parents understand and agree to the following additional requirements. If you feel you are unable to comply with these requirements, we are happy to provide you with recommendations of other programs that may better suit your child care needs. If you choose to find other care, all fees and deposits are non-refundable.

Before arrival, parents will be asked to self-assess child's health each morning at home. If the child has a temperature, they must remain at home, in accordance with our health policy below:

Symptom	May return when
Temperature of 100 F / 37.8 C or higher (orally) or 99 F / 37.2 C or higher (under the arm)	May return to child care after 10 days, or after symptom free; whichever is longer.
Runny nose, Sinus Congestion	May return to child care after 10 days, or after symptom free; whichever is longer.
Cough	May return to child care after 10 days, or after symptom free; whichever is longer.
Sore throat	May return to child care after 10 days, or after symptom free; whichever is longer.
Difficulty breathing or wheezing	May return to child care after 10 days, or after symptom free; whichever is longer.
Unexplained fatigue, aches or cold/flu-like symptoms	May return to child care after 10 days, or after symptom free; whichever is longer.
Eye infections, discharge, red/pink eyes	May return to child care after symptom free.
Children who have, or children with others living in the same home who have just returned from international travel	May return after self-isolating for 14 days <b>and</b> being symptom free
Children who have, or children with others living in the same home who have been identified as at-risk of potential Covid19 exposure	May return after self-isolating for 14 days and being symptom free.

**Children and staff may NOT attend childcare program while they have any of the following symptoms:**

- Unusual, unexplained loss of appetite, fatigue, irritability, or headache
- Eye infections
- Unexplained rashes or any rash that is not confirmed by doctor to be non-contagious
- Known or suspected communicable diseases (measles, chicken pox, pink eye, hand foot and mouth, etc.)
- Nausea, vomiting and/or diarrhea in the last 24 hours and must stay home for 10 days to evaluate their symptoms.

If symptoms arise while at daycare the child will be isolated from other children, and you will be required to pick up immediately.

We do not recommend that children with any underlying health concerns attend childcare programs during the Covid-19 pandemic.

**Health, Safety and Cleaning Procedures:**

**Drop-off/ Pick up:**

Parents are not currently allowed to access our facility, drop off will occur at the front door.

- Parents will knock on the door and wait for an Educator to answer, the educator will sign you in.
- Children will come in and hang up their belongings
- Children will immediately go to the washroom to wash their hands with soap and water for 20+ seconds, with supervision of an educator.
- At the end of the day, the parent will knock on the door and staff will gather your child's things and bring them outside the door for pick up.

Please continue to observe social distancing expectations as you wait for an educator to bring your child and their belongings to you.

**Provision of Care:**

We are currently providing child care at a reduced capacity, and gradually inviting families back, based on need of care. Hours and days of operation may be adjusted to ensure that the programs are able to meet all licensing expectations regarding ratios. In the event that some employees are unable to come in to work or are in quarantine, ratios may be lowered to meet expectations from the health authority, or because there is not enough staff available to maintain regular ratios.

All soft items have been removed from the room – no dress up, stuffies etc. Easily cleaned toys will be provided - no toys from home.

Please find a list below of the things to bring with you to daycare:

- We will not be providing snacks at this time. Please come with snacks and lunch, pack accordingly as there will be no heat ups of foods.
- Each child must bring their own water bottle
- Please bring a change of clothing and appropriate gear for outside – Ex. sunhats, appropriate foot wear, appropriate gear for the weather etc.(we will be spending a lot of time outdoors)

**Cleaning Procedures:**

- License approved disinfectant and cleaner products will be used to clean the room.
- Toys will be cleaned throughout the day. Limiting what is available will reduce what needs to be cleaned.
- All high touch surfaces (door handles, light switches, washrooms, sinks etc.) will be cleaned 3-4 times per day
- The washroom is disinfected after every child use.

**Health Procedures:**

Children and staff may not attend Centennial Day Care if they exhibit any symptoms sickness. There are no exceptions to this illness policy.

- Staff and children will follow strict health protocols
- If a staff member is unwell with any of the above symptoms, they will be required to stay home and self-isolate for the next 10 days, or until symptoms reside.
- We will ensure and supervise that hand washing is being done when; entering the building, before and after eating times, washroom use, after coughing or sneezing etc.

*Children are NOT required to social distance from each other. We will encourage them to not congregate in a big group; however children are naturally social and will allow them to be social with each other. We are working hard to ensure this is a safe, calm and caring place for the children*

### **Fees during a Pandemic/Communicable Disease Outbreak**

In the event of a short-term closure due to a pandemic or communicable disease outbreak (less than 30 days), fees are due and payable as per usual operations. Fees payable during closures exceeding 30 days will be based on information received from the Ministry of Children and Family Development. Any closure of 30 days or more would also have an impact on whether spaces are held at no charge while a family is isolating for the term of the pandemic, or whether a nominal fee would be implemented. As each outbreak or pandemic is different, the guidelines around these situations would be different as well. Each situation will be decided based on information provided to the Board of Directors from all the Ministries involved.

The ACCB, (Affordable Child Care Benefit), formerly known as subsidy, is provided through MCFD and may or may not be provided during a pandemic or communicable disease outbreak closure. Parents/Guardians may directly contact the MCFD office at 1-888-338-6622 to discuss MCFD's policy regarding the ACCB payments. This decision is outside of Centennial Childcare Centre's authority. If MCFD will not cover the fees, then parents will be responsible for the full monthly fee for their childcare if a closure under 30 days occurs.

Thank You,

The Staff at Centennial Day Care Society
